

## Place-of-Service Codes Crosswalk

Save time and avoid a claim denial for Error 038 (“The place-of-service code is either missing or invalid.”) by verifying that your claim has the appropriate entry for the place of service. To help, use this quick reference flyer, which crosswalks the Centers for Medicare & Medicaid Services (CMS) HIPAA code sets to the MassHealth MMIS code sets\*. When submitting paper claims, you must use the MassHealth place-of-service codes listed in the MMIS column in the table below.
